Dear Brother

I received your letter and the money which I paid to my Landlady and was truly glad to hear from you. And that you all were well. I was glad to hear that the Exhibition went off so fine. I should like to have been there. I might have spoken "Hodge." I suppose you and Father have got rich hauling. Well I suppose. If you have not you at least have made some

I am not too well, at present my eyes have been hurting me some. lately though I manage to get my lessons. Last eve I was at a lecture delivered by Prof. Powers Bloomington Ills. On the subject of Phrenology well. he did it up strong then examined some heads. It was laughable in the extreme.

School will be out this day four weeks  
to come. About 1 week of advance  
study and then Review. We will Review  
then 2 weeks. And It is a kind of a bore  
and I suppose I can do all that I need  
do at home. for they generally do not study  
any during review. And I think I will  
come home next Saturday a week that  
is March 24. I have no money and  
I will not come till I get some. I dont  
know what I will owe my landlady  
send me 10 or 15 dollars if you can spare  
it. I want you to write to me soon and  
tell me what you can do. I am suffering  
some from a head ache and you will  
have to excuse me for the shortness of this  
letter. I may take a notion and stay  
till the term is out. yet. what do you  
think about it? Well I must close  
give my love to all. From your  
Brother

Dear Brother

I received your letter and the money that I paid to my landlady and was truly glad to hear from you and that you're all well. I was glad to hear that Abe's exhibition went off so fine. I should have liked to have been there. I might have spoken Hodge. I suppose you and Father have got rich hauling. Well I suppose if you have not at least you have made some.

I am not too well. At present my eyes have been hurting me severe. Lately though I manage to get my lessons. Last eve I was at a lecture delivered by Prof. Flowers, Bloomington, Ills on the subject of Phrenology. Well he did it \_\_\_\_\_ strong then examined some heads. It was laughable in the extreme.

School will be out this day four weeks to come. About 1 week of advance study and then he reviews. We will review then 2 weeks and it is kind of a bone and I suppose I can do all that I \_\_\_\_\_ do at home for they generally do not study any during review. And I think I will come home next Saturday a week, that is March 24. I have no money and I will not come till I get some. I don't know what I will owe my landlady. Send me ten of fifteen dollars if you can spare it. I want you to write to me soon and tell me what you can do. I am suffering some from a head ache and you will have to excuse me for the shortness of this letter. I may take a notion and stay till the term is out yet. What do you think about it. Well I must close. Give my love to all. From your Brother.

T.S Armstrong.
