Lump is here. has his discharge. is not
going home until after the anticipated fight at
Cynth. Frank I fear he has the Consumption.
he is able to march with us. but looks to me as if
he had the Consumption. If this is the case. I advise
you never to marry him. if you do I fear you will
soon become a widow. keep this to yourself. Tell me how
this is about Dutch & Mill. Leggett. give me all
particulars. I have nothing to say. tell her to con-
sider well before she takes the step. I think well
of him. but I think her good enough for any one.
I don't care where he comes from or who he is.
When you see him tell him to write & give my
Respects. give my best wishes one and all.
Keep this all to yourself. give all particulars.
Yours as ever.

I have been thinking of you very much lately
 and wondering how you are getting on.
 I hope you are well and happy.
 I have been very busy lately
 but I have managed to find some time
 to write you a few lines.
 I have been thinking of you very much lately
 and wondering how you are getting on.
 I hope you are well and happy.
 I have been very busy lately
 but I have managed to find some time
 to write you a few lines.
 I have been thinking of you very much lately
 and wondering how you are getting on.
 I hope you are well and happy.
 I have been very busy lately
 but I have managed to find some time
 to write you a few lines.

Yours affectionately

Sump is here, has his discharge, is not going home until after the anticipated fight at Corinth. If this is the case, I advise you never to marry him, if you do, you will soon become a widow. Keep this to yourself.

Tell me how this is about Dutch & Will Leggett. Give me all particulars. I have nothing to say. Tell her to consider well before she takes the step. I think well of him, but I think her good enough for any one. I don't care where he comes from or who he is. When you see him, tell him to write and give my respects. Give my best wishes one and all. Keep this all to yourself. Give all particulars. Yours as ever.
