Friend Jacob

If you please on
the receipt of this or as soon after
as practicable called at the residence
of Col M H Leggett at 18 North 6th
Street Yonerville there you will find
one Mockingbird please take it home
and take care of it for me. Tell
Mary that she must learn it
some music? and if I never

return the Bird is hers. I
would send some other things
but I do not wish to impose
too much on Mrs Leggett.

Every thing is quiet
in Bolivar at the present
writing Joseph Geyer arrived
here this Eve in good health
The weather is warm. I may
say extremely warm. 101 degrees
in the shade. What is it in
the sun's dust one foot deep
and more.

Why did you
permit F I to go to school
he is gaining flesh too rapidly
and he needs more exercise
I think if he was to study
at home and walk to No. 1
every night or eve. It would
benefit his health.

That is more to be looked at
now than learning or wealth
Tell him so for me. he has not
answered my last letter yet
Q W Porter has just received
his.

My kindest regards
to your Father Mother Mary
Flavilla Frank Gus and
F I if you please and
keep a reasonable share
for your self please

Why did you permit T S to go to school. He is gaining flesh too rapidly and he needs more exercise. I think if he has to study at home and walk to Norwich every night or eve, it would benefit his health. That is more to be looked at now than learning or health. Tell him so for me. He has not answered my last letter yet. G.W. Porter just received his.
