Dear Bro. Jacob,

Your letter dated August 1st I received on the 23rd of Aug. I got your other letter. I have no doubt that you would like to see me released from this Prison. But if the government says no. I'll have to stay. The Negro question may keep me in here till the end of the war which I hope will be soon.

I'm sorry Mother is unwell. Tell her not to get sick. I was awful glad to hear that my dear friend Bob Hanson is at home. Give him my love. May God bless him.

I heard all about Morgan in the Richmond papers, but I was afraid he would capture you. I think the war will soon be over. We get all the news. I was brought to this prison on my birthday. Jacob, I don't want to scare you but I will tell you that I took the fever on the 4th of Aug & was very low. But our Confederate Doctor Simmons used skill in my case & thank God I am nearly well again tho still in the hospital in Libby. Oh if I could get some of mother's nice cooking, but I have plenty to eat.

You know that our government employs negro soldiers; that principle may keep me in Libby until the end of the war, but I hope not. I hope the Commissioners of Exchange will agree upon terms that will set us free. My money is in the hands of Capt Turner, the commandant of Libby. \$45.00 in greenbacks & \$25.00 in Confederate. I can't draw it at all. I sold my watch for \$30.00 Confederate. With this I buy butter, taters, peaches, & melons.

There is a flag a truce boat up & this letter will reach you the flag of truce boat comes to the City Point & then the Commissioners meet, Colonel Meredith federal & Judge Ould Confederate. I hope they will agree upon the exchange of officers as I don't want to stay here all winter. There are 6 officers of the 122 here. Chap McCabe, Dr Houston, 1st Lt Taylor Co. H, 2nd Lts Anderson of Co. K & Paul of Co. C, & myself.

I got a letter from Capt Gary & Jeff McMillan, dated 8 miles south of Warrenton Va. The 122 is in the 3rd Corps; they were well. Albert Hammond was wounded in the right elbow.

From my seat on my couch I can look out on the water of the James Historical River!

I pray for myself & for you too.

Farewell

Thos S Armstrong
