Dear Bro. Linley.

My principle object in addressing this note to you was, to say to you, that should the Georgetown Cir. agree to take a young man, I would be pleased to have your men Shields, and if you will hold on to him, for a few days, untill I can hear from there, I will inform you, and get you to write to him. Please drop me a note immediately, and let me know whether he is still to be had, direct to Milford, and let me know when you will leave Germantown, or whether I can direct to you at that point again.

Worth great Eastern
