I received your kind letter on yesterday which gave me great pleasure to hear of you again and that you was well and all your family. Father & Mother was very much disappointed at your being unable to pay us a visit shortly and hope it will not be deferred very long. Dear Friend if you can procure me some situation as a clerk or something else I would prefer it to school teaching as that is not an envious berth & all cannot be pleased with a teacher and consequently some will be dissatisfied and I would wish to avoid if possible being placed in in such a position, If no other can be procured I will accept it however. And am ready at any time to go with you when you go home. I will bring a horse and we can go as you wrote such a visit will afford great pleasure to me. Rev^d Saml Hamilton is with us to night Mr Newson has stopped here once and I think he is a very fine good man. All of our family are well and they send their love to you & family as I have but little time to write I must make a virtue of necessity and write a short letter.
