I hereby certify that the Rev. J. B. Finley at the last session of the Ohio Conference vindicated himself before said body from the aspersions cast upon him by the Rev G. Moody at the previous Conference. As the Reporter of the Conference I took down the remarks of Mr Finley on the occasion, and there being no reply I left my desk and went out of the room. While absent the Rev Jno S Mitchell stepped up to the desk and after looking over the report of the speech moved that it be not published though part of it was then in type. I further certify that on my return to the desk the report was missing and has not been found to this day.
