Seneca Nov. 10th 1824

Dear Brother

I received your letter by brother

Field in which you stated respecting the change that had taken place respecting the Agency at Upper Sandusky you speak thus (I know not how your agents will be it but I suppose from head to foot will be against the partnership)

I know not why you should think I was dissatisfied Let it ~~for~~ suffice for me to say that I feel thankful to God for the change that has taken place As for Johnston I know ^{not} what he thinks at this time But I have always considered him as one of your best friends - I have been looking for John Johnston for ten days past and am looking every day when he will bring or send me money

As soon as it comes to hand you shall
have what I got of you

as it respects Brother Miller it will
be out of my power to pay him before
June or July next there are other demands
that I must meet this fall Hunkel is the
man that ought to pay it but I believe
never will tell Brother Miller to be
mercifull a little longer and without some
unnone providence he shall be paid ~~now~~
the time above mentioned

I would have been glad to go to Quarterly
but the situation of my wife forbids it
My respects to sister Finley and the
Mission family

from your sincere friend and
brother in Christ

J. B. Finley James Montgomery
